IRRICAD PRO TRAINING DAY Sydney June 11th 2010

Familiarise yourself with the latest IrriCad Pro features and get the most from your software.

Netafim Australia in conjunction with AEI software is running a full day Training Course for all current and potential IrriCad Pro users. The course is aimed to provide knowledge to users across all skill levels and focus on the Pro 10 features as well as the upcoming Version 10.5. An IrriCad Software Developer will also be present to assist.

*Attendees will need to provide their own Laptop and IrriCad Pro Software. For attendees without their own IrriCad copy, a demo disc will be provided for the day. All participants will receive a video tutorial CD at the end of the session to take home. Please RSVP no later than **Monday May 3rd** to confirm your attendance. The day will commence at 8am and conclude at 4pm.*
